About Our Keynote Speaker

My name is Jennifer Addis and I am a motivational, inspirational and educational ROLL model and speaker. On March 16, 1997, I was a passenger in a tragic drunk driving accident that left me paralyzed from the chest down. At the age of 24, I was lost! Living life wondering why did I survive that horrific day? What was my purpose in life anymore? My world was turned upside down. My independence and dignity was stripped away from me without any prior notice. Over the years, I became focused on taking my misfortune and turning it into a valuable, positive, life changing experience, which helped me to grow into the strong, confident and thriving C5-C6 quadriplegic woman that I am today!!

My Mission is to empower the human spirit; disabled and able-bodied; to discover their own inner strengths.

3rd Annual Safe and Sober Family Night Successful

The West Allis-West Milwaukee School District hosted its **3rd Annual Safe and Sober Family Night on Monday, September 26, 2011 at 7:00 pm in the West Allis Central High School Auditorium.** Working in collaboration, the West Allis Police Department, the West Allis-West Milwaukee School District, and the West Allis-West Milwaukee Community Coalition presented information to parents and students on making positive choices. Guest speakers informed families about the dangers of drinking and driving, current trends in teenage substance use, and several programs which hope to keep our students safe. This program has become an annual event hosted by West Allis Central and Nathan Hale High Schools in alternating years. Next fall West Allis Nathan Hale High School will host the event.

Approximately 300 people were in attendance. Of those, 200 were parents, and 100 were students from both Central and Nathan Hale High Schools. The event was meant to be a proactive intervention to promote safe behaviors during the upcoming high school homecomings, winter formals, proms, and graduation celebrations. West Allis Central's homecoming is Saturday, October 8th, and Nathan Hale's homecoming is Saturday, October 15th. Speakers at the event included Jennifer Addis, a victim of a drunk driving accident; Corporal Rod Nelson and Chris Sohre, WAPD; Tammy Molter, WAWM Community Coalition Coordinator; and Central Health Teacher, Jon Nelson. The event concluded with parents and their daughter/son signing a family pledge to one another. Over 100 pledges were signed.

Students who attended the planning night with their parents/guardians received a \$10 voucher, which can be used toward one event (homecoming, winter formal, or prom). Over \$780 in gift certificates and prizes were donated by local businesses. Prizes were given away at the end of the program, which included discounts at a local tuxedo rental business, hair/nail/tanning salons, and a florist. We hope the event increased awareness and will help parents have those crucial conversations with their daughter/son to make positive life choices. Future events will include assemblies at each high school in the winter, and a parents only event in the spring.
