

IMPACT, a not-for-profit organization whose main office is located in the Summit Place building in West Allis, has served as Milwaukee's resource for solutions to alcohol and other drug abuse for 50 years. A recognized leader in providing prevention, intervention, and assessment and referral services, IMPACT is now considered a central access point that helps people get connected to immediate assistance. Each year, IMPACT connects over 150,000 people in and around the greater Milwaukee area to the right kind of help at the right time through services and programs that include ***2-1-1 @ IMPACT, Assessment and Referral Services, Symmetry, and Peers with IMPACT***. IMPACT is proud to be an active member of the West Allis-West Milwaukee Community Coalition.
