

## 5<sup>th</sup> Annual Safe and Sober Spring Family Night

About 300 students and their parents attended the 5<sup>th</sup> Annual Safe and Sober program that was held April 29<sup>th</sup> at Nathan Hale High School. The topic for the program was Dangers and Consequences of Prescription and Other Drug Abuse – A Family Perspective. The main speaker was Tyler Lybert, a recovered alcohol, marijuana, prescription drug and heroin abuser, and his family. Consequences were presented by Rod Nelson from West Allis Police Department and Jeff Borland from Nathan Hale High School.

Over \$350 in gift certificates from eight local businesses, including restaurants, hair and nail salons, florists and tanning salons were raffled at the end of the program. Students who attended the family night with their parents/guardians received a \$10 voucher, which can be used toward one event (homecoming, winter formal, or prom).

Youth members from the West Allis-West Milwaukee Community Coalition presented information about the Family Pledge that was then signed by over 150 families in attendance. The youth also launched the Parents Who Host, Lose the Most campaign. The yard signs, posters and window clings from Parents Who Host are a reminder for parents not to hold underage drinking parties and for youth to have a safe and sober prom, graduation and summer.

This is a reminder of our Safe and Sober Awareness Initiative. We want to encourage parents to talk to your child about safe behaviors on and off campus. Every year the news media reports of tragedies, such as deaths, due to drunken driving, accidents, overdoses, and unsafe behaviors. In the West Allis-West Milwaukee School District, we want to make sure our students are safe, and that your family does not have to go through such a tragedy. Working together with the school district, the community coalition, and law enforcement, will help ensure the safety of the children of West Allis-West Milwaukee.
