　　　This is a reminder of our **Safe and Sober Awareness Initiative. With the end
of the year events such as Prom and Graduation fast approaching, we want to encourage
you as parents to talk to your daughter/son about safe behaviors on and off campus.
Every year the news media reports of tragedies, such as deaths, due to drunken driving,
accidents, overdoses, and unsafe behaviors. In the West Allis-West Milwaukee School
District, we want to make sure our students are safe, and that your family does not have
to go through such a tragedy. Working together with the school district, the community
coalition, and law enforcement, will help ensure the safety of the children of West Allis-
West Milwaukee**. ****
